OFFICE OF PETITIONS

In re Application of :
Dennis Lewis :
Application No. 10/626,350 :
Filed: July 24, 2003 :
Attorney Docket No. BAI525/03273 :

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed March 25, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of June 13, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A three-month extension of time pursuant to the provisions of 37 CFR 1.136(a) was previously obtained on December 12, 2007. Accordingly, the date of abandonment of this application is December 13, 2007.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$525 extension of time submitted with the petition on March 25, 2008 was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be credit to petitioner's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$405 and the submission required by 37 CFR 1.114; (2) the petition fee of \$770; and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3210.

This application is being referred to Technology Center AU 3749 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.
